

As a transport company with 30 years of experience, we know that passenger safety is most important, and we have been paying even more attention to it recently.

OUR STAFF

- Our qualified and experienced coach drivers are part of Jordan Group for years.
- Drivers are controlled with a non-contact thermometer before starting work
- Drivers are informed about the safety rules and are obliged to strictly follow them (e.g. washing hands frequently, keeping an appropriate distance between employees, disinfecting, full knowledge of the safety procedures)
- Drivers are wearing personal protective equipment such as masks and gloves

SAFETY

SAFETY STANDARDS

Cleanliness is priority for us.

- All handles and handrails and the interior of the vehicle are thoroughly cleaned.
- There is a hand disinfectant at the entrance to the bus, it should be used at every boarding of the bus.
- We recommend washing hands frequently and using masks and gloves.
- Before departure, the interior of the bus is disinfected (especially places exposed to frequent contact with more people such as: handles, handrails, buttons, panels, etc...).
- In the bus there are instructions on how to wash hands and put on a mask properly.
- We recommend non-cash payment.
- You should place your luggage in the bus trunk by yourself.
- For safety reasons, the toilets on board our coaches have been temporarily closed, if necessary to stop, please inform our coach staff.
- Please remember to fasten your seat belt during the journey.
- For the safety of our drivers, we have decided to exclude from use the first row of seats just behind the driver.

CAR WASH AND OZONE

- Our automatic carwash located in Rybitwy, in addition to all amenities, also has a service of ozonizing the interior of vehicles, so that vehicles are perfectly clean and safe.

RECOMMENDATIONS

- You should enter the middle door to avoid close contact with the driver.
- If a document needs to be presented, show the driver the document by yourself from the distance.
- Please follow the announcements and instructions given by the bus operators.

ADDITIONAL SERVICES

- Our coaches have a wireless WiFi network.
- It is possible to place an earlier order in our restaurant Andromeda Alfa for take-away meals which will be delivered by our drivers upon arrival.
